## MISSION STATEMENT

The mission of the Montgomery County Government is to provide for the peace, good government, health, safety, and welfare of the County in accordance with, and under authority of, the Constitution and laws of Maryland, and the Montgomery County Charter. To accomplish this mission, the Montgomery County Government provides: public laws and oversight through the County Council and the offices and boards of the Legislative Branch; the administration of judicial offices; and public programs, services, and infrastructure through the County Executive and departments, offices, boards, and commissions within the Executive Branch.

## BUDGET OVERVIEW

The total recommended FY05 Operating Budget for the County Government is \$1,207,701,830, an increase of \$90,112,810 or 8.1 percent from the FY04 approved budget of \$1,117,589,020 (excludes debt service). In relation to the FY04 estimated budget of \$1,143,063,040, the County Government budget increased by \$64,638,790 or 5.7 percent.

The County Government is the agency responsible for providing general services to citizens. To do this, the agency is organized functionally into departments, offices, boards, and commissions which undertake all activities and operations of the government. County Government accounting information is organized by fund; this includes both tax supported and non-tax supported special funds, which either encompass an entire department or portions thereof. Detailed budget presentations on each of these organizational units and funds are displayed, organized by function, in the following sections of this document.

## Spending Affordability Guidelines

In December 2003, the Council approved FY05 Spending Affordability Guidelines (SAG) of \$812.2 million for Montgomery County Government tax supported funds, a 3.0 percent decrease from the \$837.6 million original FY04 budget. For FY05, the Executive recommends \$921.9 million in tax supported funds.
